MEMORIAL DAY PROGRAM TO HONOR SOLDIER DEAD

Line of March Will Form at
Two O'Clock at the
Grade School

Antioch organizations, headed by the American Legion post, today were making preparations for the observance of Memorial day next Wednesday. Antioch stores will close at noon and will remain closed until late afternoon, allowing all who choose to attend the program in honor of the soldier dead.

The program starts promptly at two o'clock p. m. daylight saving time, and will be under the direction of A. Maplethorpe, past American Legion Post commander, who is marshal of the day. Walter Hills, present commander of the post, who is also a member of the firing squad, has named Dr. G. W. Jensen as master of ceremony to be in charge of the program at the cemetery.

Places of honor in the line of march will be given to Addison J. Felter, Antioch's last remaining veteran of the civil war, and also to John N. Pacini and Joe Keller, Spanish-American war veterans, followed by the Antioch Legion Post.

The address of the day will be delivered by a speaker to be sent here by Lake Forest college, Maplethorpe announced today, but the name of the speaker could not be learned.

The parade will be formed at the grade school building from whence it will proceed to Hillside cemetery where the program will take place. In the line of march will be: Colors, Allendale band, Firing Squad, Civil War Veterans, Spanish-American War Veterans, American Legion Post, Daughters of the G. A. R., Legion Auxiliary, School Children, and the Antioch Fire Department.

Program at Cemetery

The program at the cemetery will include:

Prayer by Rev. L. V. Sittler, acting chaplain.

Music by Allendale Band.

Flower Ceremony, directed by D. G. A. R.

Address.

Star Spangled Banner.

Benediction, Father Flaherty.

Salute by Firing Squad.

Taps, by Post Bugler.

Two Firing Squads in District

The Firing Squad of the local American Legion post is one of the two such organizations in the 8th district, it was revealed by Legion men there this week. The Libertyville Post also has a firing squad. The local squad was organized five years ago and the present captain is Archie Maplethorpe, former post commander. The eight members are: Ray Webb, Walter Hills, Harry Messing, Mike Whited, William White, Ray Winfield, Alonzo Runyard, and John Horan.

A salute, such as will be fired here Memorial day, is three volleys, each volley being fired simultaneously by members of the squad.

LIBRARY NOTICE

The public library located in the Grade School building is to be open Wednesday evenings, starting next week, to accommodate summer visitors, according to Miss Mary Stanley librarian.

Library hours are Tuesday and Friday afternoons, 3 to 5 o'clock; Wednesday evenings, 7 to 9 o'clock. A new sign has been hung recently on the south side of the old grade school building.

A number of new books have been donated to the library by a friend of Miss Mary Stanley; further information concerning these will be given later.

Sister-in-Law of Mrs. Sanborn Dies

Word was received by Mrs. Jennie Sanborn, Antioch, of the sudden death of her sister-in-law, Mrs. H. W. Sanborn, of Lake Geneva. Her death was attributed to heart trouble.

Second Firemen's Convention To Be Impressive Affair

Libertyville Is Host; To
Crown Popularity
Fire Queen

Extensive plans for one of the greatest Firemen's Conventions ever held in this district have been completed, according to James Stearns, local Fire Chief and a member of the Reception Committee for the Convention. The annual event will be held at Libertyville next Monday, May 28.

One of the features of the day will be the crowning of the Fire Queen, Miss Bessie Miller of Libertyville, who last night was declared winner of the Lake County popularity contest conducted to raise funds for the Lake Co. Firemen's Association. She received 950,000 votes in the contest. The queen and her ladies-in-waiting, Mary Panek, Rosetta Lester, Edna Rouse and Lucille Snow, will be in the reviewing stand during the parade.

Antioch First Host

Antioch was proud to have the honor of being host at the First Annual Convention held last May. Because of the definite success of the undertaking last year, it was decided to establish the Convention as an annual event.

All firemen, city officials and guests have been asked to register at the Libertyville Fire Station during the day. The program is scheduled to begin at 12 noon sharp, Daylight Saving Time, with a test run into Libertyville by the various departments, an exciting though orderly enactment of the actions performed in the drama of extinguishing a real fire.

The general schedule for the rest of the day follows:
12:15 to 12:45—Inspection of all trucks by judges on S. Milwaukee avenue.

1:00 p. m. Parade, including police escort, bands, Fire Queen, officials, fire apparatus, firemen and floats.

2:00 p. m. Demonstration by the Antioch Fire Department.

2:15 p. m. Selections by the High School Band.

G. S. TO COMBINE WITH RURAL SCHOOLS FOR COMMENCEMENT

Twenty-five Will Receive
Diplomas from Local
Grade School

Completing one of the major milestones of their lives twenty-five eighth grade students of the Antioch Grade School will receive their graduation diplomas at the exercises which are being held in conjunction with those of nine rural schools at the high school tomorrow evening.

It has been the custom for the past several years for graduates of surrounding rural schools to combine with Antioch for the commencement exercises. This enables the rural students to enjoy more fitting and impressive graduation ceremonies and to become somewhat acquainted with their future high school classmates.

The exercises are scheduled to start at 8:30 Daylight Saving time in the high school gymnasium with a procession of the graduates. The program follows:

Invocation by Rev. J. E. Charles; Songs, "America the Beautiful" and "Sunny South" by the graduates; presentation of the American Legion awards by Arthur Maplethorpe; selections, "Blue Hours" and "Starter" by the Antioch Grade School band, under the direction of Hans von Holwede.

The address of the evening will be made by County Superintendent W. C. Petty, followed by a presentation of diplomas by Mr. Petty. After the graduates sing "Song of Parting," the Benediction will be said by Rev. L. V. Sittler.

Fifty Receive Diplomas

Names of the Antioch graduates and those from the rural schools, together with the names of the teachers, are listed as follows:

Adison Felter Looks Forward to 67th Memorial Day Observance

Adison J. Felter, Antioch township's sole surviving veteran of the civil war, will see his 67th Memorial Day here next Wednesday when he will be honored together with other men who served their country in later wars.

This aged veteran, despite his 86 years, enjoys reasonable health and he will be quite able to attend the Memorial Day exercises, just as he has done for more than half a century.

Mr. Felter, who has the distinction of having been one of the youngest soldiers in the union army, yesterday recounted some of the experiences of his youth which he remembers quite clearly, recalling dates and places without a moment's hesitation although the happenings occurred almost seventy years ago.

Too Young to Bear Arms

When only 16 years old, Felter wanted to become a soldier in the cause of the union, so he left the old homestead farm at Lake Catherine and walked 20 miles to the recruiting station in Waukegan. There he was told he was too young to bear arms and he had to walk back home. The following year, 1865, he was still under age, but he obtained the consent of his parents and went with John Garrett and Jimmy Whipples to the recruiting station at Marengo, Ill., where he passed the examination. Whipples had already served three years with the union army and was re-enlisting. The enlisted men went to Chicago where Felter was assigned to Co. F, 156th Ill. Inf., which served with the Army of the Cumberland under General Thomas.

Kept Vows in Army

The travels of the young soldier took him first to Louisville, Ky., then Nashville, Chattanooga, Dalton, Ga., Cleveland, Tenn., Memphis, and finally back to Louisville where he was mustered out in September, 1865. Travel for the most part was in railroad box cars and stock cars, with well.

no seats, beds, or bunk accommodations.

Felter smiled as he recalled the promises he made to his mother in order to gain her consent to his joining the army. They were that he would not drink liquor or play cards during the period of his enlistment. "I kept those vows," he said, "though since that time I have tasted beer but I have never learned to play cards."

Member of G. A. R. for 50 Years

Fifty years ago Mr. Felter became a member of the Burlington, Wis., Post of the Grand Army of the Republic, where he retained his membership until time took its toll and the thinning ranks of those who wore the blue caused the post to abandon its charter. In former years two score or more of veterans attended the Decoration events in Antioch, the Burlington post members coming to Antioch in the forenoon to decorate graves of comrades and traveling back to Burlington via Soo-train to attend the exercises there in the afternoon.

Pioneer Resident

For over three-quarters of a century Felter has had his home on Lake Catherine and he has seen much local history in the making. Born in Cook county in 1848, he came with his parents to the old homestead farm when nine years old. During recent years Mr. and Mrs. Felter have lived in their modern and comfortable home at 492 Lake Street. There the couple celebrated their golden wedding anniversary two years ago.

Unquestionably it is a fine art to live all of one's life in the same community and to retain the esteem and respect of all. That is the achievement of Mr. Felter. Therefore, next Wednesday when citizens here pay homage to the defenders of the nation, they will not only honor Mr. Felter as a soldier, but as a true and fine old pioneer gentleman as well.

Main Street to be Bright With Memorial Poppies

Auxiliary Urges Generous
Support of Drive Here
Saturday

Saturday will be "Poppy Day" throughout the United States. Millions of Americans will wear little red poppies in tribute to the men who gave their lives on the poppy-studded battle fields of France and Belgium during the World War. An army of approximately 100,000 women will distribute the memorial flowers on the streets of practically every city and town in the country.

Arrangements for observance of "Poppy Day" here have been completed by the women of the local American Legion Auxiliary Unit. Auxiliary women will distribute poppies on the street throughout the day, and will receive contributions for the welfare of disabled veterans, their families and the families of the dead.

The poppies to be offered by the Auxiliary Saturday are cloth replicas of the wild poppy of France which grew on the battle fields and war cemeteries. They have been made by disabled veterans working in 53 government hospitals and Auxiliary workrooms in 40 different states. The local Auxiliary Unit will distribute poppies made at Edward Hines and North Chicago, Five Points Hospital.

The bulk of the money contributed for the poppies will be retained in the city to be used for the relief of needy veterans and their families during the coming year. Part will go to support state and national activities of the American Legion and Auxiliary for the disabled and dependents. The poppy sale is the principal source of support for the continuous welfare and rehabilitation program carried out by the Auxiliary, and the Auxiliary workers are hoping that more people than ever before will "Honor the Dead and Serve the Living" by wearing a Poppy Saturday. Your cooperation in this poppy drive will be greatly appreciated by the members of the Legion and Auxiliary as well as the sick veterans in the many hospitals.

SMALL FIRE DAMAGES TIFFANY FARMHOUSE

A fire, thought to be caused by the explosion of a gasoline stove at the home of Ben R. Burke, known as the Tiffany farm, was extinguished about 8 o'clock Sunday morning after the fire department had been called.

Before the blaze had been put out, a hole had been burned in the linoleum, the woodwork scorched, and some smoke damage incurred.

Stock Lake Marie With Many Fish

Fishing in Lake Marie is proving excellent this spring, according to enthusiastic fishermen, who all report fine catches of pike, blue gills and pickerel. That the number of fish may not be rapidly depleted by the ardent fans of the sport, Bert Roberts, owner of the Merry Glen Hotel on the north side of Lake Marie, has stocked the lake with ten cans of pike, each can containing 50,000 fish.

TRACK MEET WILL BRING ENTRANTS FROM 8 SCHOOLS

Future Farmers Stage First
Field Event Here
Saturday

Athletic teams from eight schools will participate in Antioch's first track meet to be held on the new athletic field at the high school Saturday afternoon, according to C. L. Kutill, coach and adviser of the local chapter of Future Farmers of America, sponsors of the event.

The schools to be represented are: Waterman, Big Rock, Huntley, Woodstock, Harvard, Marengo, Gurnee, and Antioch. Only Future Farmers may compete.

Twelve events will include the following:

Shot put, discus, javelin, high jump, broad jump, 100 yard dash, 220 yard dash, 440 yard dash, 1/4-mile run, 1 mile run, 1 mile relay, pole vault.

Announce Rules for Meet.
Strict rules will govern the contest, the sponsors announced, and owing to certain limitations it will be next to impossible for one competing team to walk away with a potted score by reason of having brought one versatile star into the contest.

A contestant may not appear in more than 2 of the 12 events. Four may enter the one mile relay. Each school is to be represented by only one contestant in each event except the relay.

Schools will be figured on the 5, 3, 1 point basis for first, second and third placings respectively.

Ribbons will be given to the three highest individuals in each event, and all members of the three highest relay teams will be awarded ribbons.

Starts at 2:30 O'Clock

The contests which are the first to be held on Antioch high school's newly completed athletic field, will start at 2:30 o'clock daylight saving time. The public is invited.

The rule that there is to be but one entry for each event except the relay, is bringing sharp competition among candidates for places on the entry list, according to Coach Kutill, who has not as yet selected the local contestants who will represent the Antioch Chapter.

Baccalaureate Services To Be Held Sunday

Class Night and Ivy Day
Also Scheduled for
Next Week

Baccalaureate services in honor of the sixty-six Antioch Township High School prospective graduates will be held at the high school at 8:15 Daylight Saving time Sunday, May 27.

The Baccalaureate will be the first of several commencement exercises to be held during the next two weeks. Class Night will be held at 8:15 Monday evening, followed by a brief Ivy Day program at 10 o'clock Tuesday morning. A 20-minute dramatic Ivy Day Service, written by Mrs. G. E. Phillips in which all the members of the class will appear in caps and gowns, will be staged north of the building, following the planting of the Ivy.

Rev. Charles to Speak

S. E. Pollock will conduct the Baccalaureate services, which will open with a procession played by Hans von Holwede. Following numbers include: singing of "America the Beautiful," led by S. E. Pollock; prayer by Rev. L. V. Sittler; music by high school chorus; address by Rev. J. E. Charles, new pastor of the Episcopal church; music by high school chorus; benediction by Rev. L. V. Sittler.

PURE MILK MEMBERS MAY GET RELIEF FROM FEDERAL GOVERNMENT

Drouth Loans to Chicago
Producers Imperative;
75% without Feed

Emergency measures are being sought to provide relief for dairy farmers in the Chicago milk shed who are desperately in need of feed for their cattle. Reports reaching the Central Office of the Pure Milk Association indicate that already 75 per cent of their 18,000 members have exhausted their feed supplies and have only depleted pastures to depend upon.

A telegram was sent May 21 to Chester Davis, AAA milk administrator in Washington asking what arrangements could be made for purchase of hay and corn. The government has large stores of corn under seal in close proximity to the Chicago milk shed. Purchase of this corn would save transportation and (Continued on Page 8)

Jim Maplethorpe, Wilma Musch, Win In Poster Contest

Jimmy Maplethorpe, seventh grade, and Wilma Musch, postgraduate at the high school, were judged to be the winners of the Poppy Poster contest sponsored here by the American Legion Auxiliary as a part of a National poppy poster contest. Judges were W. C. Petty, Ray Webb, and Clarence Shultis.

The posters were selected from the Antioch Grade and High School and several from the rural schools. An award of one dollar was made by the local Auxiliary unit to the winners. The prize posters will be submitted in a national contest, after being displayed in one of the local shop windows.

Jimmy's poster depicted the bound head of a soldier in mustard-colored uniform against the flaming poppy, and bore the words "From Flanders Field" across the top and "They Made them—You Buy Them" along the bottom. The poster drawn by Miss Musch showed an Auxiliary worker selling poppies, with a vision of four dreams, the disabled soldier, the orphan children, mothers, and veterans, as on incentive to "Buy a Poppy to Help."

Spangard Loses Two Fingers in Saw

Frank Spangard, an employee of the Antioch Lumber Co., suffered the loss of two fingers about 10:30 yesterday morning while cutting lumber with an electric rip saw. His hand became caught in the machine and was so mutilated that it became necessary to amputate the index and the little fingers at the second joint.

He returned from the Victory Memorial Hospital this morning, but it is expected that it will be more than a month before he will be able to return to work. Accident compensation is provided by the Lumberman's Mutual Insurance Co.

HERE'S HOW HORNER

HELPS (?) THE TAXPAYER

Governor Horner's claims of helping the taxpayer are not borne out by the latest figures from the state treasurer's office. Cash collected by the state, from taxpayers of various kinds, for the last four fiscal years and the first ten months of the present fiscal year and the amount spent by the state are as follows:

YEAR	COLLECTED	SPENT
1930	\$103,944,137	\$ 95,062,967
1931	120,696,499	126,735,225
1932	130,526,371	125,898,602
1933	137,243,062	150,077,403

10 months to May 1, 1934 136,036,110 118,600,949

If the same rate of collections continue until July 1, the end of the fiscal year, the state will have taken \$163,243,332 from its taxpayers, far more than was ever taken before by any administration. At the same rate, it will also have spent \$142,321,139.

These figures do not include the \$55,000,000 which has been "borrowed" in some mysterious manner from the Reconstruction Finance Corporation and which never passed through the state treasury, nor the \$33,000,000 which the federal government has given outright to the state for relief purposes and which also went around the state treasury.

JUST WHAT HAPPENED

In an address to the graduating class of Oberlin College the other day Prof. Rex Tugwell, Assistant Secretary of Agriculture, is quoted as stating that the old order of business, economics and politics, "became calamitous to the entire nation" and the people decided something had to be done. Continuing Dr. Tugwell is quoted as saying:

"It is very strange to me, though perhaps familiar to students of abnormal psychology, that there are today in this country still a considerable number of irrational people who do not realize that something more than an ordinary presidential election took place in 1932, and who are now clamoring for a return to a kind of civilization which is as archaic as the ox-cart and the windmill."

Here are words worth thinking about. If something more than an ordinary presidential election occurred in 1932, just what was it? Certainly there were no issues discussed in the campaign which pre-geared anything more than a simple change in administrations. Both political platforms talked about economy, less government in business, simpler government and a return to normalcy. If something more than an ordinary presidential election has taken place, when did it occur, and who authorized it? Certainly it did not occur in the ballot box of the nation. Then just when did it happen? Did it come about when the college professors and the experts whom a distinguished Democratic statesman called "crackpots" began to appear in the picture? And if it was something more than an ordinary election what was it—a revolution? Here are some questions which the good professor might answer in order to clarify his presentation of the situation.

And again it would be interesting to know just where is the abnormal psychology? Is it abnormal psychology to hold a reverence for the Constitution of the United States, and for the institutions which gave us the greatest country the world has ever known? Is it abnormal psychology to prefer individual liberty to regimentation, to hold with the views of Washington, and Jefferson, and Lincoln, rather than with those of Rex Tugwell, Mordecai Ezekiel, and Felix Frankfurter? We would suggest that Professor Tugwell read the Republican and Democratic platforms of 1932 and then tell us whether or not they are a development of an abnormal psychology. And if they are, then just when did we as a nation get to the normal way of thinking?

Either the New Deal is revolutionary or it is not.

LAKE VILLA P.-T.A. OFFICERS INSTALLED

Ten Are Graduated from Lake Villa Grade School

The P.-T. A. held the last meeting of the year at the school-house on Monday evening and Mrs. Petty of Antioch installed the following officers for the coming year: Maude Parsons, president; Dorothy Frye, vice president; Miss Masterson, secretary; Alice Meyer, treasurer, and Gertrude Perry, historian. Mrs. Hooper is the retiring historian and made a splendid report of the work of the past year. As Mrs. Pinch, the retiring president, is leaving very soon for her new home in Rhode Island, the P.-T. A. presented her with a pewter steak platter as a small token of appreciation for her splendid interest in the work, and Miss McNeely, teacher of the 3rd and 4th grades for the past four years, is leaving this year, she was presented with a necklace and bracelet as a farewell gift. Mr. Frye made the presentation. We are very sorry to lose both these ladies, as they have been active in all public work and will be greatly missed. The room in which Miss McNeely has been teaching will be closed next year.

The Commencement exercises of

Some of the professors who brought it into being deny that it comprises a revolution. But Professor Tugwell strongly intimates that in 1932 something more than an ordinary presidential election took place. We think the American people have the right to know just what it was, and how.

WALLACE IN DUAL ROLE

An interesting article in the Sunday issue of the Chicago Tribune reveals Henry Wallace in the dual role of secretary of agriculture, advocating compulsory crop reduction, and that of seed corn merchant, advertising seeds which will increase corn production.

Mr. Wallace, the article states, was president of the Hi-Bred Corn Co., Grimes, Iowa, until he became secretary of agriculture. He retains his stock in the corn seed company and his lawyer is now president.

Most startling of the revelations in the Tribune article are those concerning the secretary's official pronouncements and the corn company's advertisements, appearing in the Wallace-controlled magazine, "Wallace's Farmer."

Here, staring at each other from opposite pages, one finds Secretary Wallace insisting that corn acreage must be reduced for the farmer's salvation, and the seed merchant, Mr. Wallace, claiming that, with his seed corn, acreage can be cut 25 per cent without reducing the yield.

One wonders whether the acreage reduction program is designed to cut corn production or to force farmers to use Mr. Wallace's high-test seeds.

At least, Secretary Wallace's Department of Agriculture will pay the farmer a bonus for reducing his acreage, while he is raising more corn than ever with Mr. Wallace's seed corn.

THE REDSKINS ARE COMING!

A short time ago the Chicago Tribune printed a cartoon that hit the predicament of the average American neatly on the head. It pictures "John R. Taxpayer" and his family, attired in frontier dress, hiding in and under a covered wagon, surrounded by an attacking "Tribe of Taxeaters," who have come out of the "American Tax Wilderness." The unfortunate "John Taxpayer" is saying in response to frightened appeals from his wife and children, "There are so many of 'em I don't know where to start shootin'."

Every citizen is in that position now. The tax-Indians, of course, won't do him physical harm—but they are highly cannibalistic, so far as his pocketbook, his savings, and his property are concerned.

They are destroying jobs by draining the springs from which payrolls flow.

They are capturing homes and farms—because their owners, in these days of reduced income and increased taxes—can't pay the levies against them.

It's hard all right, to know where to start shooting—but unless that start is made, through the united effort of a million of both workers and employers of the country, the Indians are going to have an easy time at the massacre. The cure lies in opposition to extravagance and to legislation which goes outside the proper sphere of government, at the taxpayers' expense, and opposition to officials who propose or foster such practices. A genuine movement along these lines should be started. And every citizen who has a job, owns a piece of property, or has a few dollars invested, belongs in it.

State primaries, and the elections that will follow next November, are unusually interesting this year. The pregnant question they are arousing is: "Can the democrats maintain their hold on the electorate—or are the millions of republicans who switched party last year returning to the fold?" All observers agree that Mr. Roosevelt's personal following is as large as ever but many doubt if even that is enough to prevent heavy democratic losses when the ballots are cast.

Remember the old-fashioned platforms of 1932 which stood for economy and less government in business?

There is an old saying that you never can tell what a woman will do, but the same thing applies to a state legislature.

Some people are expecting General Johnson of the NRA to do some "cracking down" while others seem to believe that the NRA itself will soon do some cracking up.

The Lake Villa grade school took place at the Lake Villa Community church on Wednesday evening at 8 o'clock. The members of the graduating class were Alyce Dixon, Pauline Nader, Alto Keisler, Evelyn Sciacero, Harriet Meyer, Lester Perry, George Walker, Bernard Schneider, Leonard Schneider and Howard Meyer. The class motto is "Climb though the Rocks Be Rugged" and colors, orange and blue. Class flowers, sweet peas. Edward L. Bradley of Allendale gave the invocation and benediction and W. C. Petty gave the address. Music was furnished by the girls' chorus and the school band, directed by Monte Hinton, also a duet by Harriet Eyre and Harriet Meyer. Alyce Dixon gave the class will; Pauline Nader, the class prophecy; and Alto Keisler, the class poem. Lester Perry gave the class memorial.

Wolff, Mrs. Will Petersen and Mrs. Will Fish attended a Royal Neighbor meeting in Chicago last Thursday evening as guests of the Camp to which the Lake County deputy, Mrs. Anna M. Cooley belongs, and report a splendid time.

Mrs. Inga Swanson visited friends in Chicago on Wednesday and Thursday, and on Thursday took part in a Norwegian day celebration in the city.

Mrs. Clarence Nader and sons visited at the Frank Nader home last Sunday.

Sherwood's Camp was well filled Sunday with picnic parties who came out to enjoy the country, but found it very warm.

A family reunion was held at the James Kerr home last Sunday and a splendid time spent. Those present were Mr. and Mrs. Edgar Kerr, Jean Kerr and small Jack, three months old of Bloomington, George Mitchell, wife, daughter, Helen, and Mrs. Harriet Mitchell, of Chicago, Mr. and Mrs. William Weber, daughter, Helen, and small Billy from Sand Lake, and Mrs. Kerr's nephew, Francis Pettit, John, a teacher in Chicago University, with his wife and daughter of Chicago.

Mr. and Mrs. McLaren have opened their home on Burnett Avenue and will soon be there permanently.

Tribute to his fallen comrades and aid for him—that's what each little poppy which this disabled veteran is shaping means. He is one of many hundreds of disabled World War veterans who have been making memorial poppies for the American Legion Auxiliary in 58 government hospitals and poppy workrooms located in 40 different states. By Poppy Day, May 26th, ten million of the little red flowers are expected to be completed, ready to be worn in honor of the war dead. The poppies will be distributed throughout the country by volunteer workers from the American Legion Auxiliary, who will receive in exchange contributions for the welfare of the disabled men, their families and the families of the dead.

HICKORY CHURCH SERVICES TO BE HELD THIS SUNDAY

Nels Nielson Is Recovering from Operation in Chicago

There will be church services at the Hickory M. E. church Sunday afternoon, May 27th, at 2:30 p. m., daylight saving time. Rev. Albert Pierstorff will speak.

Mrs. Nels Nielsen and daughters, Caryl and Alice, visited Nels Nielsen in St. Luke's hospital, Chicago, Sunday. He is getting along nicely.

Wilson King from West Newport school graduated from 8th grade at the Gurnee exercises Tuesday evening.

Al Pedersen and Paul Protine drove to Chicago Saturday evening to the stock yards fire.

Mrs. Charles Glosser of Maywood spent a couple of days last week with her uncle and aunt, Mr. and Mrs. James Atwell and on Sunday she returned home with her family who drove out to spend the day.

Mrs. Emily Nelson and son, Clifford, of Waukegan called on Mr. and Mrs. James Atwell last Friday.

Mrs. Lillie Hendricks and son, Meredith, of Ingleside visited Frank Sherwood last Sunday.

Mrs. Arthur Nauta of Waukegan visited her daughter, Mrs. Lester Hamlin, a few days early this week.

The graduating class enjoyed a banquet at the school last Friday evening and Alyce Dixon was toast-mistress. Mrs. Pinch, on behalf of the P.-T. A. gave the welcome and Bernard Schneider, President of the class, responded. Music was furnished by the class and Harriet Eyre sang, "Trees." Members of the class gave short talks and C. C. Frye made a few appropriate remarks.

Because of lack of sufficient time and conflicting dates, the graduating class of this year did not give a play as usual, but instead, a movie was presented at the school-house Saturday night, a small fee charged, and a card party with refreshments followed. Bridge and 500 were played and Mrs. Charles Peterson, Mrs. Carl Miller, Mr. H. Meyer and Mr. Morrison were prize winners in 500 while Mrs. Madison, Troy Ballenger, Mr. Fish and Dr. Gindich were prize winners in bridge. A bird house was raffled and won by Mrs. Fred Hamlin. The proceeds, about \$13.00, are for the class memorial and will be used by the class as such.

SCHOOL
NOTES**Successful Prom
Held Amid Scenes
Of Maynight Beauty**

One of the most effective and unique Junior Proms ever held in the Antioch Township High School was successfully concluded Saturday evening after much labor on the part of the enthusiastic Juniors.

A vegetable "Grand Hotel" with alert bell boys, trig waiters and waitresses and clerks and elaborate hotel properties proved a romantic setting for the scores of young people who gilded gracefully about the ballroom. Stately picturesque palm trees, window boxes, clever curtains, delicious food, and realistic lobby and mezzanine attractions, flowers and candles enhanced the enjoyment of the evening.

One of the features of the evening was a floor show, with special dance and song numbers. Instrumental music was provided by the bell boys; a dance was presented by Ruth Chinn and Betty Bray, and songs by the trio, Jeanette Peterson, Ruth Nelson and Wilma Musch.

The Grand Promenade was led by Stewart Olsen and Jane Warriner, followed by Clayton Bartlett and Elizabeth Orrin. Olsen and Bartlett are presidents of the Junior and Senior class respectively.

**Mothers to Hold
Party for Graduates**

The mothers of the graduates of Antioch Grade School will give a party for the class tonight at the grade school. A dinner will be served, followed by a bunco party.

Those in charge of arrangements are: Mrs. Fred Hackett, Mrs. R. D. Williams, Mrs. A. M. Hawkins, Mrs. Nason Sibley and Mrs. L. C. Crandall.

Enjoy Play Day
The annual Play Day activities were held yesterday afternoon, with games in charge of Mrs. G. E. Phillips and Mrs. Whitte. Contests of all kinds were held and a baseball game staged. The games and contests were held for the entire student body. The committee in charge of refreshments was: Mrs. Fred Hackett, Mrs. Adolph Peat and Mrs. Arthur Maplethorpe.

**Grade Teachers
To Leave Soon For
Vacation Haunts**

As the closing hours of classes and activities at the Antioch Grade School approach, thoughts of students and teachers alike are cast forward to visions of rest and play during the summer months. Two of the teachers, Mrs. Fern Lux and Ralph Claiborn, will attend school this vacation.

Mr. and Mrs. Charles Lux will spend two weeks with Mrs. Lux's mother, Mrs. Sarah Dunham, at Pittsfield, Illinois, before Mrs. Lux enters summer school at the National College of Education, Evanston, Ill.

Miss Mary Gallger and her sister will spend part of the summer visiting in the west. They plan to visit Yellowstone National Park.

Miss Helen Hitchcock will spend the summer at her home in Lake Bluff.

Miss Ayleen Wilson is planning to attend summer school at the University of Kentucky in Lexington.

Miss Eleanor Meyer is leaving for her home in Lexington, Ill., as soon as school is out to complete arrangements for her wedding June 12 to E. William Kufalk of Antioch, Ill.

Mrs. Virginia Kennedy, secretary, will join her husband in Chicago.

Miss Isabelle Harwood will spend her summer vacation at Bloomington, Illinois, and Middleton, Wisconsin.

Miss Mildred Byrnes will be at her home in Fond du Lac, Wis., most of the summer.

Prin. Ralph E. Claiborn is to attend summer school at the University of Illinois where he will continue work on his Master's degree.

Joseph Panowski is going to take a couple of weeks off from his duties at the school this summer to get up in the northern part of Wisconsin to fish.

Vileta Baethke, Charles Miller, Mary Lou Sibley and Virgil Horton, eighth grade, have had perfect attendance this year.

The fairy story "Rumpelstiltskin" was shown at the grade school in three reels Monday, followed by three three reels Monday, followed by three three reels Monday.

**H. S. INDIANS TRIM
WARREN BLUE DEVILS****Defeat Wauconda 17-5; 2
Conference Games Still
to Be Played**

For the first time this year an Antioch Township High School team came through successful in an encounter with their old friend and rival, Warren Township High School. The Warren baseball outfit was defeated in Tuesday's game 9-5.

Bombarding Hogan and Jaska, Warren pitchers, for sixteen smashing drives, the Antioch warriors, led by their lead-off man, Steffenberg, trimmed the elated Blue Devils riding high water from their recent 7-6 win over Antioch. Steffenberg cracked out a single, two doubles and a triple.

After the first inning, Hogan, starting pitcher for Warren, was constantly in trouble. Everyone seemed to find his submarine slants an easy mark except Christensen and Wells, who when they weren't whiffing, were playing "Up them out" to the pitcher.

The laugh of the afternoon came when Bishop rapped out a double with Miller ahead of him. The ball sailed high into the air and came to rest along the edge of the river which decorates the back of Warren's field. Hook, Warren's left fielder, stood on the banks of the Swanee dreaming of Odysseus among the Phaeacians, when the ball flew out to meet him; when the smoke cleared away, Hook was standing on the bank completely drenched.

Madson hurled great guns for Antioch. The little diminutive pitcher set the "Devils" down for thirteen strikeouts; Warren scored only one run after the first three innings.

Happy Snyder, Antioch short stop, was hurt while going to second on a fielder's choice.

Defeat Wauconda
Tuesday's victory added to a 17-5 win over Wauconda Friday places Antioch in the upper section with four wins and two losses. Home runs were featured by Steffenberg, Wells, and Johnny Sheen. The majority of the runs were made on errors by Wauconda's Jaska. Sheen, who has been working hard all season, starred Friday by his home run and by catching two men off second base.

Two more games remain before the conference season is closed. Bishop, who finished pitching the Wauconda game, probably will hurl the Barrington game there tomorrow. The last game is with Elia next Tuesday.

**Spring Dental
Examination Held**

The spring dental examination of grade school children has been concluded by Drs. E. J. Lutterman and L. J. Zimmerman. Of the 184 children examined, 89 were found to need no dental work and have received a dental pin. Many of those not receiving a pin now will be eligible for one as soon as some minor work on the teeth has been performed.

Pupils in the first grade presented S. H. Reeves with a bouquet of tulips last Thursday in appreciation of Mr. Reeves' kindness in giving them ice cream.

The Grade School baseball team was defeated by Gurnee Monday after a close game, 11-9.

**Sophomores Win
One-Act Play Contest**

The Sophomores were adjudged the winners in the contest held by the public speaking class in one-act plays presented by representative members of the four classes of the high school. Two plays were given in Assembly Tuesday and the other two given in yesterday's Assembly.

The name of the play presented by the sophomores was "Weakness for Nurses." The Seniors were awarded second place with "Between Trains." A plaque for the trophy room on which names of the winning cast are to be engraved will be awarded the Sophomore Class.

played against the Palmyra at Burlington, Wis., Saturday afternoon. This game decided the championship of the South Eastern conference. Palmyra had previously won the Western Division of the Conference, and Wilmot the Eastern Division. Wilmot scored 14 hits and 14 runs, and Palmyra 6 hits and 3 runs. This is the third successive year that Wilmot has won the championship in baseball. Mr. William Leske of the high school teaching staff is the coach.

The annual Junior Prom will be held in the high school gymnasium at Wilmot, Friday evening, May 25th. The grand march will begin at 9:30 and will be led by the Junior and Senior class presidents, Fern Barry and Glenn Pacey. Very elaborate decorations have been arranged by the Junior class. The gymnasium will be transformed in scenes from Holland, featuring windmills surrounded by tulips. Punch will be served by girls in Dutch costumes. The music will be furnished by Red Billings' orchestra.

The committee on the Alumni banquet have sent letters to all the former graduates and teachers whose addresses are available. All are asked to make reservations for the dinner with Grace Carey, of Wilmot. Mrs. R. C. Burton is a patient at St. Catherine's hospital in Kenosha, Wis., and Miss Grace Carey had a minor operation performed in Chicago on Monday, May 21, but both hope to be recovered sufficiently to attend the banquet of June 6th, 1934.

Mr. and Mrs. G. W. Lewis, Wilbur, Jr., and Laura Lee Lewis, of Milwaukee, were out for the day Sunday with Mrs. Florence Lewis and Mr. and Mrs. Frank Burroughs.

Ermie and Grace Carey were in Chicago for the day, Thursday.

Mr. and Mrs. Ralph Marzahl and son, Norman, of Hebron were guests

Mrs. Ray Bufton and Mrs. Etta Winn were hostesses to the M. E. Ladies' Aid on Thursday afternoon at the home of Alfred Reynolds. Thirty-eight were in attendance.

Mrs. John Collison, of Richmond, was a guest of Mr. and Mrs. Wm. Volbrecht a day last week.

Jacob, John, Jr., and Louis Rausch, Arthur Winn, Wilmot, and Nicholas Hilbert, of Trevor, motored to Ashland recently where the Rausch boys purchased property.

Mary Swenson and Mrs. J. C. Furlong, of Spring Grove, attended a meeting of the Illinois Women's club at Chicago on Wednesday.

Mrs. Mary Gustafson, of Kenosha, spent the past week with Mr. and Mrs. Oscar Swenson. Madeline Swenson, of Chicago, was out over the week-end.

Grace Sutcliffe, of Oak Park, was out for the week-end with her parents, Mr. and Mrs. John Sutcliffe. Mr. and Mrs. Lefroy Young and family of Chicago were out Sunday for the day at Sutcliffe's.

Mr. and Mrs. Herman Richards and family of Chicago spent the week-end at their home in Wilmot.

The Oak Knoll School won the baseball competition for the west end of the county but were defeated at Petrius Springs, Saturday, when they played at the annual field day for Kenosha County's schools against Des Plaines.

John Sutcliffe has been at the Kenosha clinic for medical examination during the past week.

Mrs. Clarence Knox and daughter of Grayslake were guests Wednesday of Mrs. Ray Bufton.

Dean Loftus, who is home from Madison for a short visit with his

parents, Mr. and Mrs. Guy Loftus, accompanied his mother to Lyons Friday for a visit with Mr. and Mrs. Elmer Schultz and family.

Mr. and Mrs. Charles Olson and Mr. and Mrs. Ray Rudolph drove to Indian Ford for a day's fishing, Monday.

The annual Junior Prom is to be held at the gymnasium Friday evening, May 25. Red Billings and his orchestra from Milwaukee have been secured for the evening. The hall has been elaborately decorated. A grand march has been planned, leaders to be announced later.

Julia Runkel was up from Chicago for the week-end at Runkel's. Sunday Mrs. H. Kotz and Miss Lucille Smith of Kenosha were at Runkel's.

Mr. and Mrs. Fred Gauger and son, Harold, motored to Edgerton on Sunday for the day with Mrs. Gauger's parents, Mr. and Mrs. F. Drake. There will be English services at 9:30 Sunday morning at the Peace Lutheran church.

Miss Helen Rend and Dick McComb of Chicago, and Lee Cairns of Hebron were Sunday guests at the Cairns'.

The Fred Semrau Post of the American Legion will give the first big dance of the season at Carl Rademacher's ballroom at Twin Lakes, on Wednesday evening, May 30th. Carl Gruber and his Commodore Club orchestra will play. Admission is 35c for tickets bought in advance, and 50c at the door. There will be concessions, lunch, refreshments, and prizes to the valuation of \$100 will be given away.

The memorial poppies which the women of the American Legion Auxiliary will distribute here on Poppy Day, Saturday, May 26th, will recall vivid pictures to the minds of the World War veterans who served overseas, according to Carl Gauger, Commander of the Fred Semrau Post of the American Legion.

CHRISTIAN SCIENCE CHURCHES

"Soul and Body" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, May 27.

The Golden Text was, "The very God of peace sanctify you wholly; and I pray God your whole spirit and soul and body be preserved blameless unto the coming of our Lord Jesus Christ" (1 Thessalonians 5:23).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "O God, thou art my God: early will I seek thee: my soul thirsteth for thee, my flesh longeth for thee in a dry and thirsty land, where no water is; To see thy power and thy glory, so as I have seen thee in the sanctuary. My soul shall be satisfied as with marrow and fatness; and my mouth shall praise thee with joyful lips" (Psalms 63:1, 2, 5).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "So long as we believe that soul can sin or that immortal soul is in mortal body, we can never understand the Science of being. When humanity does understand this Science, it will become the law of life to man—even the higher law of Soul, which prevails over material sense through harmony and immortality" (p. 311).

Keeping Cut Flowers Fresh

By Ann Pryor

Nothing adds more to the attractiveness of the home than tastefully arranged cut flowers. To make your cut flowers last longer, add sugar to the water in the vases. The proportions are about a level teaspoonful of sugar to a pint of water. Every third day cut off about a quarter of an inch from the ends of the stems, using a very sharp knife or razor blade.

Both Mistaken

A pompous man missed his silk handkerchief and accused an Irishman of stealing it. After some confusion the man found the handkerchief in his pocket and apologized for having accused the Irishman.

"Never mind at all," said the latter. "Ye thought I was a thaf and I thought you was a gentleman, an' we were both mistaken."

Experienced
A lady was entertaining the small son of a friend.

"Are you sure you can cut your own meat, Tommy?"

"Oh, yes, thanks," replied the child politely. "I've often had it as tough as this at home."

A SIX COSTS LESS

CHEVROLET Engineering facts prove it. Experience in building nearly ten million cars confirms it. And the record of over 3,000,000 Chevrolet Six owners removes any shadow of doubt about it: **The only way to get real economy in a low-priced car is to insist on SIX cylinders and OVERHEAD valves.**

SIX cylinders—no more!—because extra cylinders mean extra cost for gas, oil, upkeep and parts. OVERHEAD valves—nothing else!—for the same good reason that airplanes use them. And speedboats. And racing cars. They get the MOST power out of the LEAST gas. That's why overhead valves are the choice of leaders—and champions. CHEVROLET MOTOR CO., DETROIT, MICH. Regular Exercise Helps Eyes to Keep Beauty

Here are a few eye exercises that may be taken regularly to exercise the muscles around the eyes, as well as the eyes themselves:

(1) Close your eyes tight for a second or two to change the circulation. Open and then look sideways to the right and back again five times. Close again and look sideways to the left five times. Look upward and downward five times. Then circle your eyes from left to right five times.

(2) Cover your eyes with your hands or hold a dark cloth over them for several seconds. Remove hands or cloth and imagine you have a large hoop in your hand and allow your eyes to travel around the hoop from left to right upward and around to right, then downward. Reverse and start from right to left. Repeat five times. Then hold the arms outstretched and, without moving the head, glance toward the right hand, then to the left hand, then upward and downward and back again to right hand. Repeat five to ten times, but do not strain. Gradually move the arms and hands backward so that it is a greater effort to see the fingers. Rest the eyes for a few seconds and then focus them on an object in the distance higher than the head.

Learn to relax the eyes for several seconds at regular intervals during the day. When the eyes feel tired do not force them to look at close work. Close them and relax for a few seconds and you will not have to squint and strain to see the work in front of you. Bathe them in tepid water or a weak solution of boric acid or salt water several times a week.

After the exercises, bathe the eyes either with distilled water, boric acid, a weak solution of salt water or plain witch hazel. If not convenient to do this during the day, it should not be neglected in the morning nor at night. Such simple exercises, together with the cultivation of radiant health, will be of great assistance in retaining the natural beauty of "the windows of the soul."

Did You Ever Try These Recipes? Do, Please

Shredded String Beans
Melt 2 tablespoons butter in a heavy iron skillet and add 1 pint shredded cooked pork, 1 teaspoon salt and 1 quart string beans, shredded. Cover and cook for 20 to 25 minutes, turning the beans and pork frequently. Serve on buttered toast. The beans should be young and tender.

Minute Shortcake
Fresh or canned fruit or berries
Graham crackers
Whipped cream
Sugar
Flavoring.

Put a layer of fruit or berries between graham crackers. Top with whipped cream, sweetened and flavored.

Ice Cream Cake Sandwiches
Make a long cake, cut in strips three by six inches. Split open like shortcake and fill with ice cream, then put together. Serve with hot chocolate sauce poured over each and pecan nuts or walnuts, cut fine, sprinkled over the top.

Molded Spinach and Bacon
2 lbs. fresh spinach or three cups canned
2 tablespoons butter
1/2 teaspoon salt
1/2 teaspoon pepper
6 thin slices bacon, broiled crisp.
Wash spinach thoroughly, then cook until tender in the water adhering to the leaves. If canned spinach is used, heat the contents slowly. Drain and season with butter, salt and pepper. Add bacon which has been crisped and broken into small pieces.

Maple Nut Puffs
1 lb. of maple sugar
1 cup milk or water
1/4 teaspoon cream of tartar
1 rounded tablespoon butter
2 egg whites
1 cup chopped walnuts
Cook sugar, milk and butter to soft ball. Stir in cream of tartar and take from fire. Pour over the stiff beaten whites of eggs the hot syrup drop by drop beating all the time. When it begins to stiffen, add chopped nuts and drop by teaspoonfuls on waxed paper.

ORIGIN OF TERM "COCKTAIL"

A GROUP of prominent liquor men were gathered together during the cocktail hour in one of New York's leading hotels the other afternoon. A reporter asked if any one there could tell him the origin of the term "cocktail."

Mr. Horace V. Myers, known the world over as the "Jamaica Rum King," (head of the house of Fred L. Myers & Son, Kingston, Jamaica, distributors of the well-known "Planters' Punch" and other brands), called attention to the fact that the answer to this question had recently appeared in an English magazine. He told the story as follows:

During the American War of Independence the tavern of a certain American cavalry troop was run by a young widow popularly known as Betsy Flanagan.

In 1779 she accompanied her troop to more substantial winter quarters at Four Corners, close to New York. Here she opened up an extremely efficient tavern that soon became the favorite haunt of the American and French officers. Its fame for cleanliness and comfort soon spread through all the armies, and all who sought refuge there spent many a pleasant hour at cards and drinking of the wonderful sparkling liquor concocted by Mrs. Betsy Flanagan.

The officers lost no time in proclaiming the marvelous bracing virtues of her mixtures far and wide. In fact, the drinks soon became known as Betsy's "bracers."

It was of course only natural that eager inquirers for the recipe of the sparkling bracers should become persistent. But Betsy Flanagan was a woman who could keep a secret.

Close to the tavern an Englishman possessed a snug little country estate. He was well known as an out-and-out Loyalist, an inveterate enemy of the independence movement. It was a regular custom of Betsy's, whenever the atmosphere of the tavern was overflowing with the spirit of cheerfulness, boastfully to promise her uniformed guests a delicious but stolen dish of roast fowl, prepared from the finest roosters of the English gentleman's celebrated poultry coop. The officers would, of course, continue to remind Betsy of her voracious promise every time they met.

So one evening Betsy invited them to a dinner of roasted fowl. She decorated each bottle and jar in the tavern with the beautiful tail feathers of the roosters to celebrate her daring victory. Thus it happened that a certain guest at that dinner, craving for a drop of bracer, called for "a glass of those cocktails."

"We are drinking the beverage that offers the palate the same charming sensation as the cock's tail feathers offer the eye," cried another officer, whereupon one of the French officers retorted, "Long live the cocktail."

This is how the home-made concoction was christened with a new name. Who ever dreamt that it would spread to the four corners of the earth? The name is just as popular in Germany as in all the English-speaking countries.

The rum which Washington obtained by trading in a recalcitrant slave and the rum which Betsy Flanagan used for a famous party doubtless came from the same source from which the famous Myers' Jamaica Rum comes today.

Well Done

Young wife: "I got a beautiful parchment diploma from the cooking college today, and I've cooked this for you. Now, guess what it is."

Husband (with a slab of omelet between his teeth): "The diploma."

Easy Money

Uncle (to his little niece): "I'll give you a nickel for a kiss."

Niece: "No, thank you. I can make more money taking castor oil."

Getting the baby to sleep is hardest when she is about eighteen years old.

Frogs and Toads

The intimate association of frogs and toads with water earned for them a reputation among primitive peoples as custodians of rain.

Antioch Aces Swamp Fontana In Slugfest

Defeats Lake Team 27 - 12; Locals Make 23 Safe Drives

A battling rampage which netted 27 runs from 23 safe drives was staged by the Antioch Aces Sunday afternoon in their game with Fontana at Lake Geneva. The lake team also proved handy with their bats and checked up 13 hits, enough to win any ordinary ball game, but they were able to make but 12 runs. Four circuit drives and four triples added to the scoring on both sides.

Next Sunday the Aces will play the Waukegan West Side Merchants at Antioch.

Yes I saw it, Sue, and was afraid you'd bring up the subject.

AFRAID?—I don't understand—Why should you be afraid I saw it, Dear?

Oh I'm conscious of the shabbiness of our place, Sue, but I don't think this is the time for us to spend a lot of money.

You wouldn't say that, Bert, if you saw the startling sale at the store where Thompsons bought their paint. Think of it—the best paint made at 75c off on every gallon.

Well—let's go and see how much is required to paint our house—an estimate costs nothing.

In closing, the telegram read: "Drouth loans to Chicago milk shed producers are imperative and can be handled through our association or farm bureau. Name price on sealed ear corn f. o. b. crib. What arrangements can be made for other mill feeds to prevent unwarranted jump in prices?"

Association officials were encouraged by the press announcement May 19, that \$50,000,000 had been appropriated as a drouth relief fund. Other AAA cognizance of the acute drouth is seen in the announcement made May 22 that persons holding mortgages on stock fed by the relief administration must agree not to foreclose for two years.
